-Read the following passage carefully, then answer the questions below:

Last weekend, my family and I went on a picnic in the forest near our town. We packed sandwiches, fruit, juice, and some cookies in a large basket. The weather was perfect for spending time outdoors.

When we arrived at the forest, we found a nice spot under some tall trees. The air was fresh and cool, and we could hear birds singing in the trees above us. My father spread a big blanket on the ground, and we all sat down to enjoy our meal. After eating, my younger brother and I **explored** the area around our picnic spot. We saw many interesting things like small insects, different types of leaves, and even a rabbit that quickly ran away when **it** saw us.

Before leaving, we made sure to collect all our garbage and put it in bags to keep the area clean. My mother always says it is important to keep nature clean. We should never leave anything behind that could harm the environment or the animals living there. The picnic was a wonderful experience, and we all felt happy and relaxed. Spending time in nature helps us forget about our busy lives and enjoy the simple things around us.
